Restricted Dog Issues over the **last two years** (plus)

Attacks on Animals-4

Attacks on Humans resulting in bites-6

Harassment of Humans or other Animals-24

Found Wondering with no Owner(general have been reported by someone afraid of them or that have acted aggressive)-31

Destroyed by an officer for protection of the officer or those surrounding them-2

Owner Surrendered (**Estimated as we do not keep records of owner surrendered animals**) Generally surrendered because they have threatened the kids, the owner, owners other pets or the owner has become afraid of the animal-conservative estimate of 15

These Numbers do not reflect attacks not reported (we are confident that number would double these as we are personally aware of many that were not reported to animal control)
